

RN III – Labor and Delivery (L&D) Nurse Educator

This position reports directly to the Nurse Manager of the L&D and Postpartum/Nursery. Will have responsibility to provide clinical expertise, education and consultant services within the Maternal Child Nursing staff.

Responsibilities include, but are not limited to:

✚ **As an educator/consultant:**

- Assess the educational and development needs of the staff in L&D and Postpartum/Nursery
- Plan, develop and implement educational programs to meet these needs.
- Assist in orientation, in-service, mandated and continuing education as required by the department and regulatory agencies.
- Assure clinical competence of nursing staff in caring for patients in the L&D through educational programs and evaluation processes.
- Assist with data collection and analysis for Maternal Child and Baby Friendly Performance Improvement Activities.

✚ **As a clinical expert:**

- Establish and monitor patient care standards in units providing nursing care to antepartum, intrapartum and postpartum patients.
- Provide clinical back up support to staff during clinical emergencies and for patient related problem solving.
- Participate in the development/revision of policies and procedures.
- Serves as a resource nurse in Labor & Delivery and Postpartum

✚ **Desirable Qualifications:**

- Excellent verbal and written communication skills
- Ability to work well with people
- Word processing and Excel skills

✚ **Minimum Requirements:**

- A License to practice as a Registered Nurse issued by the California Board of Registered Nursing
- Current and reachable on the Registered Nurse III certification list or currently hold the item of Registered Nurse III
- Advanced Fetal Monitoring Certification
- NRP Certification
- Three years' experience as a registered nurse in Labor and Delivery

Applicant must currently be on the certified list for RN III or interested in a lateral transfer.

Submit a copy of your resume, performance evaluation and your attendance records for the past two years to:
